This is an IRS requirement

To enable the Tax Identity restoration protection service that you purchased as part of a bundle, we need your consent to send some of your personal information to our partner, IDnotify.

Entering your name and date below allows us to disclose the data below to IDnotify, provided by CSIdentity Corp., an Experian company. With your consent, we will send the following: First Name, Middle Initial, Last Name, Date of Birth, Phone Number, Street Address, City, State, Zip, Social Security Number, Email Address, Username, and a randomly generated Subscriber Number.

IRS regulations require the following statements:

"Federal law requires this consent form be provided to you. Unless authorized by law, we cannot disclose your tax return information to third parties for purposes other than the preparation and filing of your tax return without your consent. If you consent to the disclosure of your tax return information, Federal law may not protect your tax return information from further use or distribution.

You are not required to complete this form to engage our tax return preparation services. If we obtain your signature on this form by conditioning our tax return preparation services on your consent, your consent will not be valid. If you agree to the disclosure of your tax return information, your consent is valid for the amount of time that you specify. If you do not specify the duration of your consent, your consent is valid for one year from the date of signature."

If you believe your tax return information has been disclosed or used improperly in a manner unauthorized by law or without your permission, you may contact the Treasury Inspector General for Tax Administration (TIGTA) at <https://www.treasury.gov/tigta/>
